

## PUBLISHING AGREEMENT

We are required to obtain copyright of papers in WIT Press from their authors for the term of copyright and we would be grateful if you would confirm your acceptance by signing and returning the agreement below. Your acceptance includes permission for us to use all or part of the figures, diagrams or photos which may be included as part of a book cover design or for promotional materials. We will not withhold permission for any reasonable request from you to publish parts of this paper in connection with any other work by you, provided the usual acknowledgements are given regarding copyright notice and reference to the original publication.

If it is appropriate, the author's employer may sign this agreement and, in any event, the employer may reserve the right to use the paper internally or for promotional purposes only, by indicating on this agreement.

The author warrants that the paper is the author's original work and has not been published before (if excerpts from copyrighted works, figures, diagrams, photos, trademarks or other such materials are included, the author will obtain written permission from the copyright owners and show credit to the sources in the manuscript). The author also warrants that the paper describes genuine research or review work, contains no libelous or unlawful statements and does not infringe on the rights of others. WIT Press may assign any or all of its rights and obligations under this agreement.

If the work was prepared jointly the author agrees to inform co-authors of the terms of the agreement and to sign on their behalf.
